## BASKET BALL GAME ENDED IN A WRANGLE

Referce Gave It to Goddard Seminary, But Burlington High Claimed It on Elapsed Time-The Two Stories.

The Goddard seminary-Burlington high school basket ball game at the Burlington last evening ended in a dispute in the second half and Referee Ray Worthen awarded the game to Goddard when the Burlington team would not resume playing if a basket, which they alleged was thrown by Goddard from out of bounds, was to be counted. On the other hand, Burlington put up a claim for the game on the ground that the time of the second period clapsed during the wrangle and that the referee had failed to notify the timers to take out time. Burlington

secused man was then held for the June term of the grand jury, and his bond was fixed at \$3,500. It is alleged that unfortunate speculation forced Brady to appropriate the founds of the losses which he sustained.

"Burlington high school defeated Goddard seminary at basket ball last evening in the Y. M. C. A. gymnasium by a score of 10 to 6. The cutcome of the game, however, was not very satisfactory to the spectators, as Referee Worthern for feited the game to Goddard because of a disputed basket. The game up to the time of the argument was as fast and rough as one could wish to see. Close guarding and sensational shots were the features. During the second half a Goddard man attempted to shoot when the ball was outside and Umpire Holcombe immediately blew his whistle. The ball went into a basket and this caused the argument, the umpire insist-"Burlington high school defeated God-MOHAWE HARD AGROUND.
